Good morning, Karen -

Thank you for inviting the Housing Committee to provide input and commentary on the Zoning Amendments as provided by the Hopkinton Planning Board on October 17, 2023.

At this time, our Committee has no input on this matter. As we are still working on completing the requirements of the HOP Grant Phase I and have not received funding for Phases II and III, it would be premature for our committee to weigh in on a subject that we have not fully analyzed and/or vetted.

That being said, I'm attaching an update to the Planning Board and Select Board on the work accomplished by the Committee thus far. I'm also including supporting documentation for reports referenced in the update.

Thank you so much for coordinating with us.

Regards,

*Tricia*
